

# Guide to finding *YOUR* Highlight:

*Change My Color* \$175

Creates color accents all over the head. Ideal for fine hair that needs body, also great for short layered styles.

*Full Highlight* \$155

Creates color accents in the front and back top of the head, sides and nape area. Ideal partial highlight service for long hair, that is put up in a high ponytail or hairclip.

*Full Highlight* \$155

Creates color accents all over the head, except for the nape area. This service is great on long layered hair and helps cover difficult cowlicks in back of head.

*More than a Partial highlight* \$125

Creates color accents around the face, sides and more of the top back part of the head. This service is also very popular and ideal for short, medium and long hair.

*Partial Highlight* \$110

Creates color accents around the face, sides, front and back part of the head. This most popular color service for maintaining highlights. This service is great medium to long hair.

*Face Frame Highlight* \$100

Creates color accents around the whole face and the front part of the top of the head. Great for medium length textured hair that cascades toward the face.

*Sun Kissed Contouring* \$90

Creates color accents that add even more color to the front and back top of the head. Covers the top of the head and is ideal for short hair and one length hair.

*Crown Contouring* \$75

Creates color accents that add a bit more color to the front top of the head. Ideal for short hair.

*Face Contouring* \$60

Creates a color accent only around the fringe area and is great on short hair.
